

CAMP CANBERRA

Camp Canberra written by **Krys Saclier** and illustrated by **Cathy Wilcox** explores the right of passage for primary school students, the Year 5/6 Civics and Citizenship Canberra Camp.

How do Australian children learn about politics, democracy and currency? They go to Canberra: the nation's capital city. Join the students of Mount Mayhem Primary School as they travel from the National Gallery to Questacon, through engaging collage illustrations.

Support students to design their own museum and consider what might be missing in the Capital?

WHAT STANDS OUT TO YOU?
WHAT DO THEY COLLECT OR DO?

CONSIDER

Ask students the question:

WHAT MUSEUM IS MISSING
FROM CANBERRA?

DESIGN

Invite students to create a design for a new museum to be built in Canberra. Encourage them to consider,

- Why is the museum needed in Canberra?
- What will their design symbolise?
- What will the museum collect?
